WATTS-HILLANDALE NEIGHBORHOOD ARTWALK 2011
ARTIST Information sheet
Nov. 6th, 12-6PM

Dear Potential Watts-Hillandale Artwalk Participants,

1. As last year's artwalk went well, we are again hosting a two-neighborhood event, with artists in both WHHN and OWD opening their homes and studios. Monkey Bottom will host a Friday evening pre-show party, but will not be on the artwalk as a site this year. More on that event later.
2. 60 artists max will be represented, with no more than 4 artists showing at one location. We have found in past Artwalks that artists showing north of the Hillandale Golf Course have not generated enough traffic to make their efforts worth while, so we encourage locations to be on the south side of the Golf course. If you have no contacts south of the golf course we recommend that you put a note on one of the list serves asking for a host. The following Yahoo group (un-moderated so use at your own risk) may also be used to find hosts or for general communication <http://groups.yahoo.com/group/Artwalk/>
3. Each participant must fill out their own application and snail mail it in with a check for \$35. (\$45 for non-residents and for late applications)
4. Additional Application forms may be downloaded from: <http://www.dropspindle.com/whapplication2010.pdf>.
5. Artists living in the neighborhoods and returning artists will be given first priority, friends of WHHN & OWD neighbors 2nd priority (the sooner we receive your application the more likely you will get a space).
6. Once the number of completed applications (60) is received, a group confirmation email will be sent to those who are registered for the ArtWalk. If we have more applications than space allows, those applying after the number is reached will be notified individually and each check will be returned.
7. This year we will be using Facebook to help promote Artwalk. Artists will be able to post pictures and information.

Images for the postcard will be chosen from the first ten applicants that submit high resolution jpegs (maximum 2) to Meredith Emmett at meredith@thirdspacestudio.com.

Participating Artists and Friends are encouraged to volunteer for the following tasks: Posting and removing signs, putting postcards in local stores and galleries, picking up signs, and other small errands.

The WATTS-HILLANDALE Artwalk Planning Committee: For more information or to volunteer please email Galia Goodman galiag@mindspring.com For Application info. please email Kurt Pivko artwalk@dropspindle.com
