Bandana Face Covering (no sew method)

Materials

- Bandana (or square cotton cloth approximately 20"x20")
- Rubber bands (or hair ties)
- Scissors (if you are cutting your own cloth)

Tutorial

Show a healthcare worker how much you appreciate them!

Per CDC recommendations, the general public should not use surgical or N95 face masks. Please reserve those masks for health care workers who may care for you or your loved ones.

Homemade double layer fabric masks are enough to keep you and your neighbors safe.
